tuition4me

Neumann Goretti parents of the Class of 2021, in 6 short weeks, you'll have the unique chance to help save money on your child's college expenses. The Advancement Office is hosting **Tuition4me**, an online auction of donated college scholarships and housing credits, beginning on Tuesday, April 6, 2021 and ending on Tuesday, April 20, 2021.

We've received donated scholarships and housing credits from these 8 colleges and universities:

Cedar Crest College, Allentown, PA

DeSales University, Center Valley, PA

Goldey-Beacom College, Wilmington, DE

King's College, Wilkes-Barre, PA

La Salle University, Philadelphia, PA

Point Park University, Pittsburgh, PA

Widener University, Chester, PA

Wilkes University, Wilkes-Barre, PA

When you visit this website: <https://www.32auctions.com/tuition4me>

on April 6 and for the following 2 weeks, you'll be able to bid on and win full-value scholarships and housing credits from one or more of these schools, at reduced prices,

similar to a silent auction. If your senior student has been accepted to one of these fine schools, you have a one-of-a-kind chance to save money on his/her college costs.

For instance, a \$1,000 scholarship will have a starting bid of \$600. If you bid the starting amount and no one else overbids you, you've saved \$400 towards college. As the winning bidder, the full value of these donated items will be added as a credit to your daughter or son's college tuition account, saving them money on their college expenses.

KEEP THIS IN MIND: In this pandemic-challenged world, **Tuition4me** is the perfect way for parents, grandparents, godparents, aunts and uncles, and any family members to safely obtain that perfect graduation gift for your child. Any person can bid and become a winning bidder on **Tuition4me** and assign the scholarship or housing credit to that special Neumann Goretti student in their life. It's online shopping like we're all used to, and the purchase is a meaningful item that will benefit a child's college education!

Tuition4me will not be limited solely to Neumann Goretti students and families. We'll be promoting this online opportunity to high school seniors throughout the Philadelphia metro area, as well as in areas located close to our participating colleges. This initiative is designed to help students everywhere with college expenses, but I want our Neumann Goretti community to take advantage of this opportunity if you're able.

Our Guidance Department is aware of this and can help you understand how beneficial this can be for you. I'm always available at my contact information above if you have any further questions or need clarification.

Visit the **Tuition4me** website to become familiar and mark your calendar for 7:00 PM on April 6 for the most unique online shopping experience that makes college affordable for students!
