

## **St. John Neumann and Maria Goretti HS Virtual Order Day**

**(Parents are strongly encouraged to attend with their son or daughter)**

**Tuesday, March 2<sup>nd</sup>, 6:30pm**

**Last week Jostens' Ring Packet was distributed in school to your son or daughter so please keep a "lookout" for it to arrive home from your student!**

The Jostens ring packet is an essential piece in ordering your class ring to receive with your Class at your Ring Mass, however, **electronic versions of all ring packet documents are attached to this Zoom invite!** The only document that we don't have electronically is the ring gauge so you will need the packet for that piece of the ring ordering process, if you don't know your ring size....

It is an honor to be hosting this "virtual" class ring order day via Zoom with you! We hope to make this a nice memory for you. **We strongly encourage parents to attend the Zoom meeting along with their son or daughter!**

This Zoom meeting will walk you through the order form, answer any questions that you may have and help you order your Neumann-Goretti ring with your classmates when you gather together for the Ring Mass as members of the Class of 2022!

**We thank you for allowing us to be a part of this special time in your life, as different as it is right now!**

**Some housekeeping rules to help with the Zoom Meeting:**

1. The best device for the meeting is a **laptop** for the best viewing. However, other devices work too.
2. Please don't share the meeting id OR passcode on Social Media to insure we have an uninterrupted meeting with

your classmates, administration at school, and parents of rising Seniors.

3. We will have everyone muted so that the call stays focused and organized.
4. The "chat" feature at the bottom is the only way to communicate with the host and will be used for asking questions. The co-host will peruse the questions and consolidate them into an organized list to be answered at the end of each order section.
