A MESSAGE FROM THE PRESIDENT

Dear Saints Neumann Goretti Community,

As another school year approaches, my youngest son is starting at Saints Neumann Goretti Catholic High School. This past week he received his roster, and it made me remember the day in 1990 that I received my own roster in the mail. As quick as I could, I grabbed that printed paper and sprinted to 16th and Jackson to see all my friends. We went over our rosters together, seeing what classes we shared and hearing from our older friends about who had the toughest schedule.

The more things change, the more they stay the same. My son received his roster via email and immediately jumped onto his "NG friends" group chat to go over his schedule. Everyone receiving this mailing has experienced that same level of excitement for the first day of school—whether it was at Southeast Catholic, Saint Maria Goretti, Bishop Neumann, Saint John Neumann, or Saints Neumann Goretti.

Over the past year, we are excited to announce our highest level of giving since the schools merged in 2004! Whether through EITC, unrestricted giving, or our many funders who have taken advantage of naming opportunities, we are successfully providing a high-quality education to all who enter our doors. Our enrollment is currently projected at 530 total students, with a freshman class of 143. We have the capacity to enroll even more students, and that is where we need your continued support.

Again, when I entered Saint John Neumann High School in 1990, I had just moved from Saint Monica's Parish to Stella Maris. At that time, your parish paid part of your tuition. My parents went to register us at Stella Maris and asked about the parish portion of the tuition. Monsignor James F. Connelly, whom they met with, asked, "Why isn't your son here asking?" My father came home and told me, "The Monsignor wants to meet with you." The next day, I went to the rectory. He and I sat and talked for about an hour, and very little of it was actually about money. At the end, he said, "Come to Mass every week. I am not worried about what you give, as your family will give what they can. What I am concerned about is seeing young people in the pews on Sunday." I remember thinking as I left what a nice guy he was, and how much he truly cared. That is our Catholic faith shining through, and that is exactly what I hope to continue doing at Ss. Neumann Goretti. But I need your help.

Please consider your own story, what made you who you are today, and how you can support the next generation to do the same. If you have questions about how you can direct your PA State Tax Liability to Saints Neumann Goretti, please give us a call. My wife and I take advantage of the EITC program ourselves, and it is a powerful way to give back. If you or a group would like to impact the school with a gift, please contact us.

Our day is now. I promise you that every dollar gifted to NG will go directly toward supporting young men and women as they experience the love, care, and community of South Philadelphia Catholic education.

In closing, I would like to thank all of my former teachers and administrators at Saint John Neumann High School. I am who I am today because of each of you.

God Bless.

Sincerely,
Tim Cairry '94

2025-2026 STATE OF THE SAINTS

2025-2026 STUDENT REPORT

Dear Neumann Goretti Community,

Stepping into Neumann-Goretti for the first time felt like a breath of fresh air that I needed. It was very obvious from the start how welcoming the student body is, and how helpful teachers and staff are. They helped me settle into this new environment along with my other classmates. I was very grateful for how they treated me and others that it gave me the confidence to be more involved in the school and do the same.

I am now a part of several extracurricular activities, such as Community Service Corps, Ambassadors, and Student Council. These clubs have given me numerous leadership opportunities, like attending outreach events and service trips, where I get to serve and represent not only the NG community, but the general public. I've also attended multiple school events through Ambassadors, including Open Houses, Accepted Students Night, and Visitation Day. Through these events, I was able to welcome and guide new and upcoming students as others once did for me.

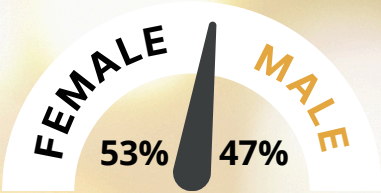

As I now enter my junior year, I am determined to stay engaged in these activities and continue my academic journey. I can't help but reflect how none of this could've been possible without the alumni and donors' continuous support towards this amazing school. NG has taught me to grow and strive for excellence and what it really means to be a Saint. I know as I progress through my high school years, I will continue to do just that.

Sincerely,
Jacqueline Valera-Hernandez '28

Courage. Compassion. Commitment.

WE ARE PROUD TO BE ONE OF THE MOST DIVERSE CATHOLIC HIGH SCHOOLS IN PHILADELPHIA

Diversity is more than a statistic; it is an essential part of our Catholic mission and a defining part of the vibrant community we are proud to call Saints.
