QUESTIONS?
robert.sutliff@neumanngorettihs.org

Mr. Sutliff has participated in Group Mission Trips in North Carolina x2, South Carolina, Rhode Island, Utah, Tennessee x2, New Mexico, Pennsylvania x4, Texas, Maine, Michigan, West Virginia and New Jersey

Saints John Neumann and Goretti Catholic High School is inviting students who want to make a difference in our world in a small way, to participate in a **Mission Workcamp Trip** to Wrightsville, PA.

The dates are July 25-31, 2027, and participants are expected to stay for the entire program. Wrightsville is about two hours west of Philadelphia, and many elderly residents need home repairs such as fresh paint, new or repaired decks, or wheelchair ramps. Participants are supervised by those with experience to complete these projects as well as meet new friends from across the United States.

The basic cost is \$700.00, which includes transportation, food while there, use of the school facilities, staff, and supplies at the work sites. There is a fundraiser already in the works, and a donation has already been pledged to assist in cost. Click [here](#) for the application and return to Mr. Sutliff by next Wednesday, if possible.

There is a student information meeting next Wednesday, September 30, at 2:45 p.m. in Room 115, and a parent information Zoom meeting at 7:00 p.m. for more information. **Email Mr. Sutliff for the Zoom link at robert.sutliff@neumanngorettihs.org.**
